Announced on 31st of July 2025
Effective from 1st of August 2025
(certain provisions come into effect on the dates specified below)

Amendment announced on 31st July 2025 and effective as of 1st of August 2025 are marked by yellow background in the List of conditions:

- Amendments in the range of available debit cards from August 1, 2025.

Amendments announced on 30th April 2025 and effective as of 1st of May 2025 are marked by green background:

- The Bank, considering the measures proposed by the Ministry of National Economy to curb inflation, has decided to offer discounts on certain fees on a promotional basis from May 1, 2025, to June 30, 2026. The discounted fees falling within this category—also including the extension of certain previously announced promotions—are highlighted as 'Promotional Fee' with a green background in the current Conditions List. The Bank reserves the right to modify or terminate these promotions with two months' prior notice to the affected clients, should unforeseen material and adverse changes occur in the circumstances existing at the time of the announcement of the promotions—particularly in the legal and regulatory environment applicable to the Bank— that make it unreasonable to maintain these promotional fees (highlighted with a green background) under unchanged conditions.

I. General provisions

If there is a cooperation agreement in effect between a company and the Bank concerning account keeping for employees, the employees of the company (including borrowed staff, as well as persons working for the company in other legal arrangements) are entitled to use the Relationship Employee Package. The Relationship Employee Package may be used for one bank account.

The Employee shall certify his/her employment or other legal relationship with the company with an employment certificate not older than 30 days, employment contract not older than 3 months or a company ID card.

Based on the provision laid down in Government Decree 183/2024. (VII.08.) amending decrees on extra profit taxes, stipulating derogation Paragraph i) of Subsection (1) of Section 6 of the act on the financial transaction duty the Bank made the following amendment in favour of our customers with effect from 01.08.2024.

In the case of every fee item in this List of Conditions for which a fee or a fee element is stipulated concerning "parts of amounts in excess of HUF 20,000" or "(parts of) amounts in excess of the equivalent of HUF 20,000" the text "parts of amounts in excess of HUF 20,000" or "(parts of) amounts in excess of the equivalent of HUF 20,000" shall be replaced with the text "parts of amounts in excess of HUF 50,000" or "(parts of) amounts in excess of the equivalent of HUF 50,000", taking into account the following:

The above modification and the conditions so modified – including the stipulations of the following paragraph – shall remain in effect as long as the Bank is also exempted by law from the obligation to pay duty in the case of the transactions concerned in relation to the part of the relevant amount up to HUF 50,000. In lieu of such legislation the modified amended terms and conditions will automatically revert to those in force before this amendment and this paragraph of the List of Conditions shall lapse simultaneously.

Starting from July 15, 2025, the Bank will not accept HUF or foreign currency transfer orders or internal bank transfer orders valued at up to 25 million HUF from clients in the Retail and Premium segments via the Raiffeisen Direkt channel (telephone customer service). The above changes apply to orders given within the framework of payment and investment services alike.

Starting from July 15, 2025, the Bank will not accept orders for regular transfers (standing orders) and direct debits (for authorization recording, modification, or cancellation) from clients in the Retail and Premium segments, regardless of the amount, via the Raiffeisen Direkt channel (telephone customer service).

II. Relationship Account

Minimum monthly incoming payments contractually required for eligibility to the products and services regulated in this chapter: an amount at least equalling 80% of the gross monthly minimum wage from time to time in effect (rounded upwards to the next HUF 1,000 value) should be credited to the account to which the Relationship Package belongs, in not more than 2 instalments. Such crediting requirement may not be fulfilled with cash deposits or transfers within the Bank from a retail account or between the customer's own accounts.

If the monthly crediting requirement is unfulfilled in three consecutive months, after a notice to the customer the account will be switched to the Everyday 2.0 account package, or if the Everyday 2.0 account package is no longer available at the Bank, to the account package named as its successor that is closest to the terminated service, without the fee due for switching between account packages being charged. For the purposes of the crediting requirement, the period under review starts on the 21st day of the month preceding the target month and lasts until the 24th day of the target month.

As regards the fees, commissions and charges not detailed in this chapter, as well as the value of the annual percentage rate of charge, and any issues that are unregulated herein, the relevant Lists of Terms & Conditions concerning retail customers that are from time to time in effect shall be governing, and where there are different fees, commissions and charges included in the Consumer Lists of Terms & Conditions for the different accounts, the terms & conditions of the Everyday 2.0 Account Package—except as regards the debit card annual fee and issuance fee, where the terms & conditions of the Activity 3.0 Account Package—shall be governing.
