

# **Annex 1 to the Co-operation Agreement on Employee Account Management**

## **Key Employee Package – List of Conditions**

Valid: from 15<sup>th</sup> December 2019 until withdrawn

The amendments are marked by *italicized* text in the List of conditions.

### The amendments in the List of Conditions:

*Raiffeisen Bank Zrt. informs its Customers that on 15 December 2019 Article 3 of Regulation (EC) No 924/2009 of the European Parliament and of the Council on cross-border payments in the Community enters into force, according to which the charges levied in respect of cross-border payments in euro within the European Union shall be the same as the charges levied for corresponding national payments in HUF.*

*The above in general means that the fee payable for a credit transfer in euro to a Member State of the EU (SEPA credit transfer) shall not be higher than the fee payable for a domestic credit transfer in HUF (except for credit transfers involving conversion, and urgent/extra urgent credit transfers), and that the fee charged for a cash withdrawal from an ATM in a Member State of the EU shall not be higher than the fee charged for a cash withdrawal in HUF from a non-proprietary ATM. The Bank shall ensure the above equality of charges not just in the Member States of the EU, but in the case of all payments directed to or occurring in the Single Euro Payment Area, and in case of the ATM withdrawals in all Member State of the EEA.*

*With regard to the foregoing, effective as of 15 December 2019 Raiffeisen Bank Zrt. amends the following Lists of Terms & Conditions in a way that is favourable or not unfavourable for the Customers, in accordance with Part 1, Chapter XIX, Section 19.21 of the General Business Conditions.*

*It is a further change that the fees charged for SEPA credit transfers directed at or coming from abroad are set out in a new fee structure. With a view to the transparency of information provided to customers and compliance with the above EC Regulation, the fee charged for such a transaction has been broken up, and the charges of the related banking services—currency conversation and/or urgent/extra urgent performance—are shown as separate fee elements additional to the basic fee. In the case of SEPA transactions occurring in the period lasting until 31 January 2020 at the latest, certain elements/sub-amounts of the fees shall be debited on a later date in accordance with the List of Terms & Conditions.*

### **1. General provisions**

---

---

Fees, commissions, costs, and APR values not detailed in this List of Conditions, as well as any matters not regulated herein, shall be governed by the latest effective Retail List of Conditions.

<sup>1</sup> Indexation: The Bank links the calculation of the fees indicated in this List of Conditions to the average consumer price index published annually by the Central Statistics Office with respect to the preceding calendar year. The amount and rate of the fee is automatically modified (indexed) in accordance with the average annual consumer price index applicable from 1 April of each year to preceding calendar year. The modification of the fee is published by the Bank in each year at the latest by the 1st day of April in this List of Conditions. The fee is specified by the Bank to a whole forint amount in accordance with the general rules on rounding, and in the case of a tariff specified in euro, to two decimal places. The Bank reserves the right not to apply fee indexation on one or even on several occasions with respect to certain customer groups and certain service types.

<sup>2</sup> In case of this package we require a regular monthly incoming fund with one transaction in the amount of at least the prevailing net amount of the monthly minimum wage to the current account held with Raiffeisen Bank. Incoming fund is accepted from non-Raiffeisen Bank source or from a Raiffeisen Bank account of the customer's employer as well. Raiffeisen Bank grants a onetime grace period of a further one month following the month of the opening of the account or the changing of the account package, for the credit of the first minimum monthly net incoming fund on the account holder's account. If the above determined incoming fund is not arriving to the account in the 2nd month after the month of account opening or package changing, the Bank is charging the monthly account maintenance fee specified in this List of Interest Rates and Charges. This rule is valid in the later months as well: the Bank is charging the account maintenance fee on the first banking day of the month followed by the monitored month, when the incoming fund has not arrived. The monitored period for the fee charge of the month concerned: from the 21st day of the month prior to the month concerned to the 24th day of the month concerned. The required credit defined in the conditions cannot be fulfilled through cash deposit in branches.
